**Mission:**

Camp Goosetown is a non-profit organization designed to provide a dependable and enjoyable weekly summer camp alternative for children kindergarten through sixth grade. The program offers a variety of activities that help stimulate self-expression, exploration, and further the development of the children in a safe, fun and friendly environment.

**Activities:**

Each week the camp offers a wide range of daily activities to meet the developmental needs of all the children. The majority of summer camp activities take place in Iowa City. However, some field trips are all day outings.

We do a great deal of walking, and also use city buses and the Cambus. For out of town trips, we take school buses or a charter bus.

**Staff/Student #'s:**

Our staff to student ratios ensure the children are in a safe, fun and friendly environment. In order to meet these goals, we offer a limited number of spots (28-35) and maintain a 7:1 or better student to staff ratios during our activities times. We are unable to provide one-on-one care for participants. All staff are 18 or over and meet the programs strict training requirements, including first aid and CPR.

**Summer Camp****Registration:**

All registration will be completed on-line. Registration begins March 1 for BASP families and April 1 for families district-wide. The first non-refundable weekly deposits will be due May 1 and will require signing up for ACH bank payments.

Incoming kindergartners and exiting sixth graders will be accepted on a case-by-case basis.
