**Mission:**
Camp Goosetown is a non-profit organization designed to provide a dependable and enjoyable weekly summer camp alternative for children kindergarten through sixth grade. The program offers a variety of activities that help stimulate self expression, exploration, and further the development of the children in a safe, fun and friendly environment.

**Activities:**
Each week the camp offers a wide range of daily activities to meet the developmental needs of all the children. The majority of summer camp activities take place in Iowa City. However, some field trips are all day outings. We do a great deal of walking, and also use city buses and the Cambus. For out of town trips, we take school buses.

**Summer Camp Registration:**
Information for interested participants will begin on April 1st. Non-refundable weekly deposits will be due May 1. This year, Camp Goosetown will be offering a part time option (3 days per week) during the Summer. If interested in receiving more detailed information about the part time option, please call the program director. The part time option will be limited to 5 children.

**Staff/Student #’s:**
Our staff to student ratios ensure the children are in a safe, fun and friendly environment. In order to meet these goals, we offer a limited number of spots (30) and maintain a 6:1 or better student to staff ratios during our activities times. All staff are 18 or over and meet the programs strict training requirements.
